

CONDITIONS OF THE COMPETITION FOR AWARDING THE QUALIFICATION “STUDENT RESEARCHER”

From March 1 to March 15, 2024, the university is holding a competition for awarding the qualification of "Student Researcher".

The competition is open to 2nd, 3rd, and 4th year students with a GPA of 3.5 or higher.

Students participating in the competition must fill out a specially designed information questionnaire for awarding the qualification of "Student Researcher", in which quantitative and qualitative indicators of scientific activity of students are evaluated by the number of points received according to a point system.

Students studying in humanities, pedagogical and economic specialties need to score at least 70 points, in technical specialties - at least 80 points. At the same time, the participation of students in various types of Scientific Research Work of Student should be at least 5 items of the form.

Student questionnaires are administered in the faculties/institute. According to the results of the questionnaire, the Director of the Institute/Deans of Faculties submit to the Department of Research Activities an extract of the meeting of the Faculty/Institute Council on the results of the questionnaire and recommended students for awarding the qualification "Student Researcher" who scored at least 70 or 80 points, respectively.

Students who have scored the required number of points and claiming the qualification "Student Researcher", submit to the Department of Research Activities (7 Suleimenov St., aud. 109) confirmation documents for all points scored in printed and electronic form:

- completed questionnaire;
- characterization of scientific achievements signed and stamped by the Director of the Institute/Dean of the Faculty;
- transcript;
- copies of diplomas, reprints of articles, conference programs, etc. (to be filed according to the order of the questionnaire items);
- copy of ID card;
- 2 3x4 photos.

All printed documents are filed in a paper binder.

The Department of Scientific and Research Activities on available applicants for awarding the qualification of "Student Researcher" prepares a submission to the Academic Council of the University, which makes the final decision. Based on the positive decision of the Academic Council of the University to award the qualification "Student Researcher", the Department of Scientific and Research Activities issues an order and prepares certificates of awarding the qualification "Student Researcher".

Students who have received the qualification "Student Researcher" and the corresponding certificate have a priority right when entering a master's program to study on the basis of a state educational grant. Students who qualify as "Student Researcher" may be awarded a one-time award.
